Raco™ Force Paste is a superb single dose poison with exceptional palatability and results. With proven efficacy in the most difficult environments. Best used in the plastic lockable bait boxes fixed to the surface so that unauthorised removal does not occur.

This is a highly potent product for the professional pest controller – For indoor use only.

BETA Bait Stations are robust and fully secured bait station ideal for use with **Raco™ Force Paste**.

Especially designed and manufactured for all environments as well as tricky locations: such as under pallets. The BETA station comes with removable bait tray, bait securing rod and back plate.
