# Agrichem® (International) Limited

**Raco™ Whole Grain** is a highly attractive and very palatable whole grain rodenticide for use against rats and mice; indoors and outdoors. With irresistible aniseed attractant to lure rodents to the bait quickly for rapid kill.

**Raco™ Whole Grain** is available loose in 5kg bucket and 20kg bulk bags or 100g throw packs in 10kg bucket.

**BETA Bait Stations** are robust and fully secured bait station ideal for use with **Raco™ Whole Grain**.

Especially designed and manufactured for all environments as well as tricky locations: such as under pallets. The BETA station comes with removable bait tray, bait securing rod and back plate.
